Quick Reference Statistics – 30 April 2015

Quick Reference Statistics reports numbers of adults and young people who are in the care of the Department, either in custody or in the community, on a monthly basis. The Quick Reference Statistics are snapshot data for midnight (12.00 am) on the last day of the month, comparison information for the same month of the previous year and the percentage increase or decrease on that data.

Time series statistics are reported in the Quarterly Statistical Report.

A glossary of definitions is at the end of each report.
