

Adult Prisoners in Custody Quick Reference Statistics

31 October 2015

Quick Reference Statistics – 31 October 2015

Quick Reference Statistics reports numbers of adults and young people who are in the care of the Department, either in custody or in the community, on a monthly basis. The Quick Reference Statistics are snapshot data for midnight (12am) on the last day of the month, comparison information for the same month of the previous year.

The statistics are accurate as at the time the data is extracted from the systems. The data systems are dynamic and are constantly being updated and data integrity improved. For this reason data may change slightly from month to month or quarter to quarter.

Time series statistics are reported in the Quarterly Statistical Report.

A glossary of definitions is at the end of each report.
