

Notification of Change of Religion

Prisoner's details	
Family name:	Given name(s):
TOMS ID:	Unit/Wing:
Current religious registration:	
Intended religious registration:	
<p>You have the right to religious freedom and, where possible, practise your religion with others who understand and respect your religious beliefs.</p> <p>1) Changing religion is a major decision. It may affect you, your family and other relationships both inside and outside of the prison. You should not change your religion by force or be pressured into changing religion.</p> <p>2) It is important to respect the views of the Chaplain/Minister whose faith group you wish to join. Most Ministers would expect you know something of their religion before you became a member. Some religions require you to take part in an initiation ceremony before you become a member. Change of registration in itself does not make you a member of a particular faith group/church. You may receive a visit from the relevant Chaplain/Minister to discuss your interest.</p> <p>If you wish to attend services/classes before you have applied to change registration, attendance will be at the discretion of the Chaplain/Minister concerned.</p>
