Security and Financial Limitations

Security limitations
1. Generally, no more than four (4) prisoners shall attend any one (1) funeral. In circumstances where several applications are received and more than four (4) prisoners would otherwise be recommended to attend, Adult Custodial Services in consultation with the family or any other recognised party will determine who may attend the funeral.

Financial limitations:
2. The current cost limitations for the transport and supervision of a prisoner attending a funeral or visit to a dangerously ill person are:
   - Local Community: $2,000
   - Remote Community: $6,000

Where more than one prisoner has applied to attend, generally the total cost per funeral should not exceed $12,000.

These costs are fixed and where a quotation for transport and supervision is above these cost restrictions, the attendance at a funeral or visit to a dangerously ill person will not be approved.

3. Financial contributions will not be accepted from family / community members.
